Annapurna Base Camp Heli Trek

Trip Overview

Annapurna Base Camp Trek is a dream adventure of many, but some of us don't have enough days to enjoy it to the fullest. We understand your time limitations and make it thrilling equally, with the Annapurna Base camp option, combined with a heli ride way back to Kathmandu.

Would you take it?

You can trek to explore the raw beauty of the deep forests, amazing landscapes, and lush green hills of the Annapurna Range. A heli ride to the heart of the Annapurna region will pay that off.

If you have ever wondered what a bird sees from above the hills and mountains, it is your time to witness the same. Soaring high above sublime mountains and glaciers and landing at the Annapurna Base Camp will change your travel experience forever.

Orchid Tour and Travels understands your travel needs and turns them into reality. We have brought this luxurious and appropriate 9-day tour for those travel enthusiasts who want to make a memorable trip to ABC uniquely. You will trek through some routes and get to the base camp without physically exhausting yourself.

FAQs

What factors determine the cost of a heli tour in ABC?

If you take a heli ride in the Annapurna region, several things will determine the cost. The number of passengers, duration of the tour, departure point, and the Heli's company will most likely bring the ups and downs in your cost.

Is the heli ride in the ABC worth it?

Most definitely! There is no denying that a heli ride is more expensive than trekking. But if you're willing to pay the price, it gives you a better and more convenient way to explore the Annapurna region, which looks divine from above. Along with the view, it also saves you time. So why not?
